

# Adams Road Children's Centre Philosophy

## **A place and time to be, explore, create and thrive**

Our vision for all children and educators is to engage in a flexible and enriched environment to explore and share lifelong learning.

### **We value**

- *Natural learning environments to engage, explore and care for.*
- *Time and space for children to make meaning of their world through play.*
- *Children's interests, culture and context*
- *Child initiated learning, ideas and activities*
- *Flexibility*
- *Educators learning alongside students.*

### **We will**

- *Provide a rich natural environment to foster curiosity, experimentation and a desire to learn.*
- *Follow child initiated learning experiences, extending skills and interests.*
- *Encourage dispositions for learning including persistence, resilience, confidence, cooperation, respect.*
- *Scaffold learning and extend on children's interests*
- *Document children's learning to communicate to caregivers and community*
- *Celebrate achievements and promote positive attitudes to learning*
- *Work in partnership with our community*
- *Provide a safe, inclusive and challenging environment for all*
- *Promote sustainability through our curriculum.*
